### Authorization clause

This is a single-seat license that authorizes only one natural person to license, download, and use the content. "Content" means all content available on the Pngtree website, including backgrounds, templates, artistic fonts, illustrations, etc.)

Search results may provide content owned by pngtree ("pngtree content"), content uploaded by third parties provided through the website ("contributor content") and other cooperative agency content ("agent content"). These contents will be distinguished in the copyright attribution of the work information.

Unless you upgrade to a "Enterprise Premium Package" account, no other person (including employees, colleagues) may use your account or use content authorized through your account. If you want to purchase authorized content for your principal, you will need to re-subscribe to a new account for your principal's eligibility. The rights granted to the User under these Terms are personal and shall not be assigned to any third party (including affiliates or entities part of the same group of companies) totally or partially, by any mean, without the prior, express and written consent from Pngtree.

Pngtree's enterprise premium account is allowed to be used and authorized in accordance with the corresponding binding of 2-person/4-person/6-person accounts. For details, please view <https://pngtree.com/team-pay/> to see the version authorization difference or contact Customer Service at [info@pngtree.com](mailto:info@pngtree.com). "Content" means all content available on the Pngtree website, including backgrounds, templates, artistic fonts, illustrations, etc.)

### 1. Image content license

Pngtree hereby grants you a non-exclusive, non-transferable, permanent right to use, modify (except as expressly prohibited herein) and to reproduce the contents of the image worldwide, as expressly permitted by the applicable license and subject to this document.

#### ● Free users can use images in the following situations:

The image content downloaded by free users is only for personal and private use, such as mobile phone computer wallpapers, personal social media, personal greeting cards/invitation letters, etc. The source or attribution of the picture must be indicated when using it, and the sale in any form is prohibited. Charitable non-profit organizations can use it without requiring any license authorization in a non-commercial situation, and the source must be indicated when using it.

● **Personal Premium Plan authorizes you to use images in the following situations:**

Purchasing any pngtree or any premium plan can obtain the following authorization. Pngtree hereby grants you the exclusive and non-transferable permanent right to use (download image license agreement is required), modify (except for those expressly prohibited below), or copy the content expressly permitted by the applicable license and Global image literature subject to this agreement. The scope of application is as follows:

1. Use of digital copies of the Internet, including websites, online advertisements, social networks, electronic forms of mobile device advertisements, mobile applications, software, e-card publications (e-books, e-magazines, blogs, etc.), e-mail marketing and online media (Including YouTube, Dailymotion, Vimeo and other video sharing services)

(Note: The content cannot be resold as online, and products are made for online sales)

2. Printed in the form of physical promotional materials, like posters, flyers, foldouts, letterhead paper and business cards; used for artwork packaging and labels, physical product packaging design, textile design and other packaging design; used for physical media, including magazines, newspapers and books, CD and DVD covers; used for T-shirts, mugs and other physical goods to print and sell.

(Note: The quantity for physical printing and sale is limited to 50 copies; the quantity for non-sale items such as promotional materials is limited to 300 copies)

● **Enterprise Premium Plan authorizes :**

Note: If you need an authorization for corporate purposes (the authorized person is a company or team), or are not satisfied with the above-related authorization scenarios (need more professional and brand representative use scenarios), or feel that the above-required printing or distribution quantity is not enough to satisfy your actual needs, want to obtain a higher quantity limit authorization, for details, please view <https://pngtree.com/team-pay/> to see the version authorization difference. If you still have doubts about the license of Enterprise Premium, or the scope of the license does not match the rights you need, please contact customer service. (Email: [info@Pngtree.com](mailto:info@Pngtree.com))

**2. Restrictions on the use of image content**

You cannot:

a. Use image content other than the image content explicitly provided by the license you purchased in connection with such image content.

b. When depicting any character ("model") portrayed in the content of the picture, the way it is portrayed makes the normal person feel offended, including but not limited to portraying the model as a) with obscene works, "adult video", adult entertainment venues, accompanying services, dating services or similar content; b) related to advertising or promotional activities of tobacco products; c) participation in political activities (such as any political parties, candidates, elected officials, advertising, or support activities), or involving Any political policy or opinion; d) suffering from or being treated for physical or mental illness; or e) participating in unethical or illegal activities.

c. Use any image content in obscene works, defamatory content or false content, or in ways that would be considered defamatory, obscene, or illegal.

d. Resale, redistribution, access, sharing or transfer of any image content or rights, except as expressly provided herein. For example, but not limited to, the content is prohibited from being displayed as a "library" of the content (or a component thereof), such that the third party can search for and select from the content.

e. Use image content in a manner that infringes the trademark or other intellectual property rights of any third party or results in fraudulent advertising or unfair competition claims.

f. Use any image content (in whole or in part) as a trademark, service mark, logo or other marks of origin, or as part of the above use.

g. Falsely or reasonably implied that the content of the image is created or claimed to be the copyright of the work by someone other than you or the copyright holder of the image content.

**3. Warranty and Statement**

Pngtree guarantees and represents:

a. Pngtree's contributors have granted Pngtree all the necessary rights to the content to grant the rights specified in Section 1 or Section 2. It will not: i) infringe any copyright, trademark, or other intellectual property rights; ii) infringe the privacy or publicity rights of any third party; iii) violate any laws and regulations; iv) have a tendency to slander, pornography or obscene content.

b. Pngtree acts as a provider of intermediary services between collaborators' content offers and users who intend to download them, and does not bear any responsibility for this content, unless clearly stated in the applicable legal statement.

c. Despite Pngtree's reasonable commercial efforts to ensure the accuracy of keywords and descriptions, Pngtree declares no responsibility for any keywords, titles, or descriptions; that is, for any claims arising from any keywords, titles or descriptions, Pngtree does not assume any responsibility.

d. Pngtree does not make any representations or warranties except as specifically stated in this warranty and statement section.

#### 4. Additional Terms

4.1 After Pngtree has given notice, or you have learned that any content is threatened, in violation of other rights or any other statement that Pngtree may be liable, or Pngtree removes any content due to perceived business risk, according to Pngtree If you reasonably determine and notify you of such removal, you will remove the content from your computer system and storage device (electronic or physical) and, if possible, stop using the removed content in the future at your own expense. Pngtree will provide you with comparable content for free (as determined by Pngtree in its reasonable business judgment), subject to the terms and conditions of these Terms of Service.

4.2 Please note that you cannot directly authorize the content itself or the file format to the customer. You need to redesign the content and cannot use the content as the main element (occupying the main visual in the screen). If you use any content as part of a work product created or delivered to a customer or customer for a customer or customer, you will disclose the identity of such customer or customer to Pngtree in accordance with Pngtree's reasonable request.

4.3. If you violate any of the terms of this Certificate of Authorization or any other Agreement with Pngtree, Pngtree reserves the right to terminate your account without notice, except for Pngtree's other legal and/or equity rights. If your account is terminated due to a breach of contract, Pngtree is not obligated to refund any fees you pay.

4.4 The liability of any personal license purchased by Pngtree shall not exceed the "Limited Limitation" of the license applicable to the personal when it knows or should be aware of the License, and does not consider the number of times the Subject Content is licensed or used by you.

4.5 Unless otherwise expressly provided in Section III, all contents are provided "as is" without warranty of any kind, either express or implied, including, but not limited to, non infringement, merchantability or implied warranties of fitness for a particular purpose. If you modify or use content in a specific context, some content may contain elements that require additional permissions. If you make such modifications or use of the content in such circumstances, you are solely responsible for obtaining any additional licenses required.

4.6 Pngtree does not guarantee the content, Pngtree website or other materials meet your requirements, or use without interruption or error. The full quality of the content, performance, and use of the content is at your own risk.
